RESPONSE TO NOTIFICATION OF DEFECTIVE RESPONSE

Dear Sir:

In response to the Notification of Defective Response mailed on August 28, 2007, the applicant notes that the Notification does not list any missing or defective item. Furthermore, it is noted that the Notification of Missing Requirements dated September 14, 2006 lists four missing items. These four items are: an English translation of the application, an oath or declaration, and two \$130 processing fees. The Notification of Defective Response acknowledges receipt of the translation and declaration. The two processing fees were paid by check with the original response.

It is therefore respectfully submitted that the original response to the Notification of Missing Requirements was not defective.

The Commissioner is hereby authorized to charge any additional fees which may be required, now or in the future, or credit any overpayment, to Account No. 11-1410.
